Comhairle Cathrach Chorcaí
Cork City Council

PLANNING AND DEVELOPMENT ACT 2000 MATERIAL CONTRAVENTION OF DEVELOPMENT PLAN FOR CORK CITY DEVELOPMENT PLAN 2015-2021

Ref. No. in register T.P.22/40853

Notice is hereby given in accordance with Section 34(6) of the
Planning and Development Act, 2000 that Cork City Council
intends to consider deciding to grant a permission for the
construction of a four storey extension to the Freemasons' Hall
to accommodate a new staircase and lift to improve fire safety
and universal access in the building. The extension is to the rear
(North) elevation of the Freemasons' Hall fronting Bishop Lucey
Park and will include associated site works and landscaping.

The development would contravene materially the objective
of the Development Plan. The proposed development site is
zoned Z0 14 Public Open Space with the objective to protect,
retain and provide for recreational uses, open space and amenity
facilities, with a presumption against developing land zoned
public open space areas for alternative purposes, including
public open space within housing estates. Paragraph 15.21 of the
City Development Plan states:

It is an objective of the City Council to provide for or retain
all land zoned public open space in that use. Objective 11.7
in Chapter 11 outlines the City Council's approach to the
development and protection of public open space. While
primarily used for passive and informal recreation, lands
zoned 'public open space' may also incorporate public sports
facilities and grounds. Furthermore, City Parks are large parks
that will incorporate ancillary and incidental uses that add to
the life of the park (such as small cafes and other amenities)
and also add to and support the public open space and public
recreational infrastructural role of the parks (Chapter 11:
Recreational Infrastructure).

Particulars of the development may be inspected or purchased
at the offices of the Planning Authority, City Hall, Cork, during
its public opening hours, Monday to Friday, 10am to 4pm. Any
submission or observation as regards the making of a decision
to grant permission received not later than 4 weeks after 6th
April, 2022 will be duly considered by the Planning Authority.
